Dear Ms. Dortch:

On behalf of the television broadcasters and their representatives listed below, we respectfully request a brief extension of time to respond to the public notice referenced above (the "Public Notice"). Although dated September 23, the Public Notice first appeared in the Daily Digest on September 24<sup>th</sup>. Two business days would be insufficient for affected parties to respond under ideal circumstances. But because of the Rosh Hashanah holiday, many people representing affected broadcasters have been (and some remain) unavailable or have had very limited availability to consider how to respond. Accordingly, we respectfully request an extension until October 1, 2014.

The entities supporting this request are:

Respectfully submitted,
